

Registering A1 Certificate

This page is for uploading the type A1 digital certificate, as well as information of the corresponding password. This procedure takes place in a safe environment, protecting the confidentiality of such sensible content. For more information, see the Privacy Policy and Information Security Policy documents adopted by Systax.

The screenshot shows the Systax DFE web application interface. The top navigation bar includes the Systax logo and links for Home, Soluções, Parceiros, Clientes, Institucional, and Contato. A user profile dropdown for 'Systax DFE' is also present. The left sidebar contains a menu with options: Resumo dos serviços, Serviços, Gerenciador de Arquivos (selected), > Enviar DFE, > Enviar Certificado, > Estatísticas de Recebimento, Capturas de DFe, and Administração. The main content area is titled 'Envio de Certificados' and shows a breadcrumb trail: Home / Gerenciamento de Arquivos / Envio de Certificados. The form includes a password input field labeled 'Senha do certificado', a file selection button labeled 'Selecionar arquivo...' with the text 'Nenhum arquivo selecionado.', and an 'Enviar' button.

Step 1: Choose a file and insert a password
